More Mobile Sites Mean Faster Testing and Quick Test Results *Don't Guess... Take the Test!*

Houston – Now is a great time to get tested for COVID-19. There will be 6 HCPH mobile locations August 24-29, which means less time waiting in line and test results are quicker too, 2-4 days. Remember, 40% of infected people don't have symptoms but are still contagious. Get tested to protect yourself and your family.

The 2 stationary sites in Pasadena and Cy Fair are still offering Surge Testing, with greater testing capacity and quicker test results, in 3-5 days. These sites also have extended hours from 4-8 pm one day a week: Tuesdays in Cy Fair at Pidgeon Stadium and Thursdays in Pasadena at San Jacinto College Central Campus.

There are two separate websites to register for testing. For the stationary sites, www.doineedacovid19test.com or call **832-927-7575**. Register and select an appointment time. People must be 13 or older to be tested at these sites. *They need to keep their assigned voucher ID to be tested and remember the username and password they registered with to get their test results, in 3-5 days.* The stationary sites are open Monday-Saturday.

For the mobile sites, sign up at www.hcphtx.org or by calling **832-927-7575**. Keep your authorization code to show at the test site. Children can be tested at mobile sites. Since all test sites offer drive-through testing, *extreme heat or storms may cause sites to close temporarily.*
